 - May compromise acceptability in some quarters
- Internet access required for full functionality ??
- Icons still required ??

Ambitions for this Review Round

- Improve access to information
 - Contents of V2 good, but difficult to access
 - Layout / Formatting could be improved
- Review Scope of Document
 - To reflect potential new “customers / areas of interest
- May not be possible to fully achieve in this round
 - Aim to provide basis for on-going improvement.

Feedback from V3 (2009 Issue)

- Who is custodian of this ??
- Where is it ??

Over to the floor ??
